EXPERIENCE

APP ACADEMY - New York, NY
Software Engineer & Teaching Assistant *(July 2014 - present)*

- Re-engineered Progress Tracker software's back-end and front-end infrastructure, resulting in more actionable data and friendlier user interface
- Created the Progress Tracker's test suite, establishing ~90% test coverage
- Work daily with students one-on-one to teach them the debugging process, increasing their confidence as programmers and contributing to a job placement success rate of 97%
